Description

A smart and extremely well made antique mahogany bow front console table. It was made in England, it dates from around the 1900-1910 period. It is of superb quality and has a lovely design, with a bow fronted top standing on tapered legs. There are two generous drawers for storage with brass lions head ring pull handles. We have had this re-polished, the condition is excellent for its age, with just some normal age related wear here and there beneath the polish. Overall this has a gorgeous patina. Width – 42 inches , 107 cm Depth – 20 inches , 51 cm Height – 33 inches , 85 cm
