Description

This striking convex mirror is a stunning example of antique craftsmanship, preserved in wonderful condition. The round, reflective surface creates a unique, wide-angle distortion that adds depth and intrigue to any space. Encased in a sturdy metal frame, the mirror is complemented by four robust metal hooks that extend outward, combining practicality with visual appeal. Subtle aging, including gentle spots and marks on the surface, lends it an authentic antique charm, enhancing its historical character. With its distinctive vintage-industrial aesthetic, this mirror seamlessly integrates into rustic or industrial interiors, serving as a striking focal point that commands attention and sparks conversation.
