These stepped Art Deco style earrings are each ornamented with millegrain collet set two French cut sapphires, totalling 1ct. Each sapphire is flanked with two Old European round cut diamonds, pavé set to square settings in a tiered linear formation. The lower portion of each earring is embellished with a four-claw set square cut diamond, completing the design. These Art Deco earrings, for non-pierced ears, secure to the reverse with a hallmarked 14ct white gold hinged latch fastening; this bears a hinged undulating grip to ensure a comfortable and firm fit of these delicate earrings in situ. The reverse of the fastening bears the 14ct gold mark (14K) and the patent number (PAT 2423905); these earring settings have been independently tested using state of the art technology (Niton XL2 Analyzer) and verified as platinum.
