The watch measures 52mm diameter excluding the winding stem and the loop. The case is nickel and it is in nice condition with just minor surface marking, nothing serious at all. The glass lens is in good condition. The dial is in good condition with blued steel hands, a subsidiary seconds dial and outer minute markers. The watch comes with a single chain, 33cm long including the T-bar and the clasp. The watch and chain come in a new presentation box.
