Description

A lovely Art Nouveau style inkwell and pen stand dating from the early 20th Century. It is silver plated and has a typical Art Nouveau design with flowing lines and shaped top. The inkwell has a small handle and opens to a ceramic liner. It is in good condition for its age and displays well. There are no major damages, just some faint surface marks and minor dinks but nothing detrimental. The plating has worn and tarnished in places but it has a nice aged patina and still displays well. It has been gently cleaned and polished is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
