Item Reference: SA113162

Date of manufacture: 18th Century

Description

A good matched set of 8 country chairs in the Chippendale style from the late 18th century. The chairs are sound having having been restored and are of good colour. We have shown them seated around a very large early 20th c Oak Gateleg table but would look equally good around a period refectory table or a pine farmhouse table.
