Description

A good example of a small solid silver cream or milk jug with a slender design, scrolling handle and round footed base. It is stylish and good quality and weighs approximately 174g. It is clearly hallmarked for Sheffield, 1925 and the maker Walker & Hall. The maker's name and logo are also stamped on the base. It is in good condition for its age. There are no major damages and it displays beautifully. There are some faint surface marks and minor signs of age and use but nothing detrimental. It has been gently cleaned and polished and displays beautifully. The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
