Description

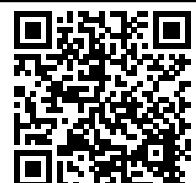

An absolutely beautiful antique Swedish leather sofa. We have recently imported this from Sweden, it dates from around the 1920's period. The quality is superb and it is very comfortable. The seat is well sprung, the frame sits on solid oak splayed legs. The leather has a gorgeous chestnut colour tone, we have had this revived and enhanced by our leather restorer. The legs have also been re-polished, this is in excellent condition for its age. There is just some minor wear and light marks here and there, commensurate for age. We also have the matching single armchair that came with this, seen listed under our other items for sale. Width – 69 inches , 175 cm Depth – 32 inches , 82 cm Height – 32 inches , 82 cm Seat height – 18 inches , 46 cm
