Description

Rare Vintage Omega 2497-4 Jumbo – 1947 | Exceptional Condition This Vintage Omega 2497-4 Jumbo from 1947 is a truly special find, offering a rare opportunity to own a historic and beautifully preserved timepiece. Known for its jumbo-sized 36mm gold-plated case and powered by the iconic Omega Caliber 265, this watch is a collector's dream. Key Features of the Omega 2497-4 Jumbo Rare Reference: The Omega 2497-4 is an uncommon model, highly sought after by vintage watch enthusiasts. Jumbo 36mm Case: Larger than most dress watches of the era, making it more desirable. Historic Movement: Runs on the manual-winding Omega Caliber 265, part of the legendary 30T2 movement family known for its reliability and precision. Stunning Dial: Champagne-colored with a beautiful natural patina. Features the red star stamp, linking it to Omega's Teddington Award for accuracy in 1937 and 1938. Originally produced in small numbers for the Brazilian market, making it even rarer. Condition: Rated 9/10, with minimal wear, preserving its vintage charm. Strap & Buckle: Fitted with a brown leather strap and a gold-plated buckle. Working Order: Fully serviced and running at +10 seconds per day, exc...
