Description

This charming 1910s workbench features a beautifully aged patina, complemented by 13 drawers with original metal cup handles, offering plenty of storage space. At its center sits a neatly fitted, original upholstered stool, an unusual and delightful feature that makes this piece truly distinctive. Crafted from solid pitch pine with, it was originally designed as a watchmaker's or jeweller's workbench. The compact design provided easy access to tools, delicate watch components, jewellery items, and other small parts. H:102 W: 99.5 D: 34 cm Drawer dimensions H: 10.5 W: 23 D: 27.5 cm
