Description

Heals of London 1920's Oak Dresser This Heals antique oak dresser dates to around 1920 and is in excellent condition. Always been together as a kitchen dresser, yet the top section could be wall hung separately, as it doesn't leave a mark on the Heals dresser base. The Heals dresser base stands on oak stepped feet that match the stepped oak dresser back. The base has two drawers that run well and have the original oak handles above two cupboard doors. Behind the two drawers are solid oak shelves, these can be removed or adjusted. A rare model of a Heals antique oak dresser, originally designed for use in a kitchen, but suit a variety of rooms. Dimensions Height: 181cm (71.83") Width: 122cm (48.41") Depth: 45.5cm (18.06")
