Description

We are offering to you this most wonderful example by Fred Yates of 'A Cat'. The Cat is a relatively early work, dating from the 1960s, where he was experimenting with large amounts of impasto, often applied directly from the tube or with his finger. Oil on Board and Framed. Signed and Dated 'Yates 67' Subject size approx 59.5cm x 67cm, framed, overall size 63cm x 50cm. Fred's paintings combine sharp, and disarmingly honest observations of people going about their daily lives with bold, expressive brushwork but also in Fred's case, an explosion of colour: "It is the man in the street that I'm after, whom I feel closest to, with whom I want to make friends and enter into confidence and connivance, and he is the one I want to please and enchant by means of my work". Delivery within the UK is included in the asking Price and Shipping is also a Pleasure so please do contact us for a Quote to any part of the World. It is Ready to hang in the Home. Thanks for looking and we welcome all inquiries. Chris.
