Description

Very decorative and most unusual late Regency to William IV period rosewood side table or wine table with a tilt top hinge to stow away when not being used, circa 1830. The table looks really super when tilted up so you can see the concave shape to the top, but when down it's a very useful and sturdy small side table, perfect for a glass or two and some nibbles! Good condition too... Measuring: 28 3/4 inches or 73 cm high 21 inches or 53.5 cm wide 16 inches or 41 cm deep 41 inches or 104 cm height when tilted
