Description

Ebonised & Giltwood Mirror Napoleon III Second Empire Sourced from the Basque region of South West France, this handsome mirror features a raised crest with elegant acanthus leaf and floral decoration. It has profuse decoration with three bands of repeated patterns. The mirror plate is original with very minor marks and light foxing. While there are minor age-related losses to the decorative gesso, these subtle imperfections contribute to the mirror's character and they do not detract from the overall beauty of the piece. The mirror will be crated for shipping. Shipping will be £50 for delivery to an address in England, France, Germany and Italy. We can provide quotes to the rest of the UK, Europe and worldwide
