Description

The dressing chest features a large and elegant shield shaped bevelled adjustable mirror in a carved surround. The base has a central recess, eight short drawers and a longer central drawer with elegant Art Nouveau inspired brass handles. The mirror has a minor amount of 'foxing' commensurate with its age & actually adds to the chest's charm. This piece compliments a superb & unusual washstand we also have for sale. Please see our other listings for more antique, retro and sign written furniture. Working height 82cm
