Description

Early George III period burr oak corner cupboard; the painted interior with three shaped shelves, enclosed by a panelled door with a moulded edge, flanked by broad stop-fluted canted sides and surmounted by a cavetto-moulded and bold dentil cornice. John Beazor Antiques is a family firm, established in 1875 and based in Cambridge since 1940. We are a traditional antiques shop, but very much in the 21st century. We deal in 18th and early 19th century furniture, barometers and clocks. We choose our stock for its originality and for the quality of its colour, patination and design. We are members of the BADA. We do not exhibit at fairs preferring to deal from our Cambridge shop where we hold Open Weekends from time to time.
