Description

A stunning, fine and impressive antique Art Deco 10.99 carat diamond and platinum bracelet; part of our Art Deco jewellery collection. This stunning, fine and impressive antique bracelet has been crafted in platinum. The fully articulated platinum diamond bracelet is composed of Art Deco style links ornamented with a total of one-hundred and eighteen Old European round and eight cut diamonds, in a combination of pavé and claw settings. The anterior portion of this antique bracelet has a substantial pierced decorated symmetrical design embellished with three feature diamonds in a vertical linear formation, totalling 0.57ct. The central formation is flanked with a splayed array of baguette cut diamonds, emanating to a scalloped border comprised of claw set Old European round cut diamonds. This finely articulated bracelet secures with an integrated push fit clasp to the reverse, and benefits from the additional security of two safety catches. This fine diamond bracelet has been independently tested using state of the art technology (Niton XL2 Analyzer) and verified as platinum. This impressive antique bracelet is supplied with three IDGL diamond grading report certific...
