| USD \$252 | EUR 216

Item Reference: SA1133764

Date of manufacture: 18th Century

Description

This highly decorative and extremely ornate pomander was manufactured between 1786 and 1810. Clearly hand signed in puce under the lid. The exterior decoration is in superb order. The interior posy pattern which cannot be seen with the lid in place is somewhat worn. You are welcome to view by prior appointment in the shop, if you need further details or pictures don't hesitate to contact me. Overall in fabulous condition, free from restoration.
