Description

A stylish chrome desk lamp dating from the early to mid 20th Century. It has a pretty mottled pink glass shade and the angle of the shade is adjustable. It has a curved arm and a round stepped base with an on/off push switch. The lamp has been re-wired and PAT Tested and is in good working order. It takes a standard bayonet bulb (bulb not included with lamp). It is in good condition for its age. The chrome has slightly worn and tarnished in places and there are signs of age and use and a few small nibbles around the shade but nothing detrimental and it displays well.
