Description

Gorgeous and un-common 18th century glass mustard pot with original lid. Many of these you see are missing their lids, this example being complete makes it rare. Nice shape. Plenty of wear to the base as you would expect. Good condition apart from a very minor flaw to the base which is probably original. From a private collection of early Georgian glass just purchased locally. SIZE; 2 1/2" diameter by 6 1/2" high CIRCA; 1760 - 1780
