Description

French Giltwood Mirror Napoleon III Second Empire An attractive giltwood mirror from South West France - the design and shape are typical of the region. The mirror has beautiful decoration with swirling acanthus leaves and flowers and it features a well-aged patina. It retains its original back boards and hanging wire. The frame and back boards are in pine and have been treated as a precaution against worm that is long since gone. The mirror plate is of a later date. There are some minor losses of decoration towards the base - please see the photographs.

Overall the mirror is in very good condition. Shipping will be £50 for delivery to an address in England, France, Germany and Italy. We can provide quotes to the rest of the UK, Europe and worldwide
