Description

A fine pair of heavy campagna wine coolers. Bearing no makers marks, but made of Old Sheffield Plate and dating to c1820. With removable internal buckets and rings. Both bearing a Coat of Arms to the front. Wonderfully ornate handles and edging. A fantastic table centrepiece. The condition is good overall with minor signs of wear. Slight copper bleed to the raised edges and pedestals as is to be expected. One of the internal buckets is slightly shorter than the other but this does not detract from the overall look. Weight per cooler approx 3.4kg. Height approx 26cm. Span approx 30cm. Depth approx 22cm
