Depth = 6.5 cm (2.6")

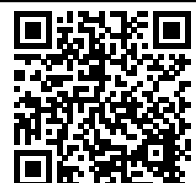

Description

This very pleasing English silvered bronzed study of a fox stealthy prowling its prey is remarkably well detailed and modelled. The fox has a brilliant facial expression of concentration, so very natural. The figure is mounted onto a rectangular polished green figured marble base with bevelled edges finished with original green baize on the underside. The figure is solid cast and stamped on the underside silver plated indicating it is of English manufacture. Circa 1925-30 Height 7.5cm x width 16cm x depth 6.5cm
