Description

They would make very stylish side or bedroom chairs. With distinctive satinwood inlaid top rails and well-carved backs. Seat height 38cm. The tapestry seats are super quality too. Both chairs structurally sound and in well presented condition. There is a small dent to the top of one top rail, a few minor losses to the carved Ionic capitals. Reliable transport throughout the UK can be easily arranged at cost price. Please let me know if you would like a quote, or have any other questions.
