Item Reference: SA1134674

Date of manufacture: Edwardian

Description

A stunning French Edwardian diamond ring set in 18ct white gold, hallmarked to the outside of the shank in true French tradition with the Eagles head. The central diamond spreads 0.40ct, measuring just under 5mm. This has not been out and weight but diamond weight approximately 0.40ct. This diamond is flawless to the naked eye and a stunning white colour, estimated in situ colour G/H and clarity Vs2-Si1. There are further old cut diamonds to the shoulders. The ring is a currently GB Q, this can however be resized if required. In stunning condition with minimal wear, the diamond claws are secure. A stunning original ring.
