Description

A fabulous fully restored Victorian extending dining table in mahogany, it has five original extension leaves. It is a pull out table rather than wind out as the earlier ones often are. The leaves are secured with brass clips; it can be used with any combination of the five leaves in situ. It has six legs so very sturdy in the middle. When fully extended, it is fully round when no leaves are in place so when extended you have semi-circle ends which allow two chairs to be placed at the ends. It will take up to 18 diners. The condition is excellent; it has been French polished to our usual high standard. (Sorry about the reflections on the table top; it was a very sunny day; the top has no blemishes at all; it is perfect). Circa 1850. Dimensions: Length 5 leaves 424 cms (13 ft 10 inch), Width 151 cms (4 ft 11 inch), Height 74 cms. Length no leaves 144 cms.
