Description

Discover the elegance of this 24 Light Heavy Brass French Antique Chandelier, a true testament to timeless design and craftsmanship. With rococo decorative arms in two tiers, a top coronet with small scrolling delicate arms which sit on a bulbous central column which issues the lights on two tiers, each light sitting on a plain brass bobèche drip pan. The bottom of the chandelier is decorative and has a large bottom brass finial which finishes off this super piece. Crafted from a warm brass, the chandelier boasts a luxurious build, ensuring durability and an enduring aesthetic with an imposing presence because of its large scale.. Its stunning design is not only a nod to the grandeur of French illumination making it a prized fixture for any discerning collector or homeowner. Perfect for a home with a large room with a low ceiling. c1920's Wired, pat tested and ready to hang We ship worldwide, please contact us for a quote.
