Description

A delightful Arts & Crafts Oak Linen Press in the manner of Liberty London. It features a subtle, angled cornice at the top, with arched, panelled doors below that enclose three large oak shelves. Below these, sit a bank of three graduated oak-lined drawers. The entire piece rests on slender, painted feet, which mirror the painted lip above the bottom drawer. Finished with stunning hammered copper ironmongery, the handles are shaped like love hearts, while the drawer pulls are especially charming, featuring split copper rings.
