Dimensions

Height = 100 cm (39.4")

Width = 109 cm (42.9")

Depth = 55 cm (21.7")

Description

This is a beautifully simple set of 18th century drawers. These are made from solid oak including the drawer sides which is a true sign of quality. The drawers have a very attractive flat finish that allows these to work well in both modern and traditional interiors. The drawer handles and escutcheon are totally original and are a nice subtle patinated brass that works well with the oak. Clean overall condition with all drawers running smooth and closing flush. Height 100cm Width 109cm Depth 55cm Price includes UK mainland delivery
