Description

A very fine old Indian carpet with a beautiful flower field lattice design woven on vivid red ground. An elegant and classy carpet, its design and palate clearly lifted from much earlier Moghul pieces. The age of this carpet is unclear as its a copy, however its is very similar to a carpet known to have been woven in the 1930s. A very heavy item with thick glossy pile all over, one or two very small local repairs , deep cleaned and floor ready.
