Description

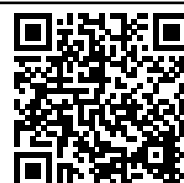

A stunning and impressive antique 1.20 carat Basaltic sapphire and 0.54 carat diamond, 18 carat yellow gold and platinum set ring; part of our diverse collection of antique sapphire rings. This stunning, fine and impressive antique sapphire ring has been crafted in 18ct yellow gold with a platinum setting. The circular cluster design is ornamented with a stunning feature collet set 1.20ct round faceted cut Basaltic sapphire. The sapphire is surrounded by sixteen platinum set Old European cut diamonds in a millegrain decorated scalloped border. The trifurcating ring shoulders incorporate platinum set paired leaf designs, each incorporating two further pavé set diamonds, integrating with the plain ring shank. This sapphire ring has been independently tested using state of the art technology (Niton XL2 Analyzer) and verified as 18 carat gold and platinum. This impressive antique ring is supplied with an IDGL diamond and gemstone grading report card*. A round sapphire cluster ring in yellow gold is a timeless symbol of loyalty and enduring love, making it an exceptional engagement choice. Favoured by royalty, its vintage charm offers a distinctive alternative to diamond...
