Description

A stunning, fine and impressive antique 2.99 carat diamond and platinum solitaire engagement ring; part of our diverse Old European cut diamond jewellery collections. This stunning, fine and impressive diamond solitaire ring has been crafted in platinum. The pierced decorated claw setting displays a stunning feature 2.75ct Old European round cut diamond. The elevated, pierced decorated ring shoulders are each set with three channel set square cut diamonds, integrating with the main setting and blending seamlessly with the plain ring shank. This diamond engagement ring has been independently tested using state of the art technology (Niton XL2 Analyzer) and verified as platinum. This impressive antique ring is supplied with an IDGL diamond grading report certificate for the feature stone, in addition to an IDGL diamond grading report card for the supporting stones. An Old European cut diamond engagement ring is a timeless choice, perfect for those who appreciate antique charm and seek a unique alternative to modern cuts.
