Description

A delightful antique early 20th century mahogany pedestal desk. The desk features a rectangular moulded top with shaped detailing to the front, inset with an oxblood leather writing surface finished with gold tooling. Below the top are three crossbanded frieze drawers, each with brass drop handles. The central drawer opens to reveal an additional leather surface that can be used for writing, which in turn lifts on hinges to provide hidden storage beneath. The desk is supported by twin pedestals, each with an arrangement of six graduating drawers, and stands on a plinth base with castors. Item Ref; M-5983 . DIMENSIONS: Height - 76.5cm / Width - 123cm / Depth - 69cm / Knee Height - 59cm . CONDITION REPORT: Overall a lovely piece in good antique condition, showing age-appropriate wear. Includes surface marks, scratches, and fading to the writing surfaces, with some dents to the back and staining consistent with use and age. Our experienced carpenter meticulously inspects, repairs, and restores each item in our collection. This ensures that every piece you purchase from us is ready to be seamlessly incorporated into your home. To provide you with a comprehensive understanding...
