Description

Antique silver Waltham Traveler pocket watch with chain. The watch has a seven jewel stem-winding movement, Traveler grade, which is working nicely. The movement is fully signed and it has the serial number 24,842,341 which dates it back to around 1925. The movement is protected by an inner hinged cover. The watch measures 50mm diameter excluding the winding stem and the loop. The case is silver and there are hallmarks inside both of the case backs for Birmingham 1927 with a case maker's mark for the Birmingham manufacturer A L Dennison, supplier of cases to Waltham UK. The case is in very nice condition with nice crisp engine turned detail to the back, together with the original owner's initials. The glass lens has a light marking, not too detrimental. The signed dial is in lovely condition with original blued steel hands, a subsidiary seconds dial and outer minute markers. The watch comes with a silver double albert, each chain measuring 20cm long including the T-bar and the clasp. Each of the links has the lion silver mark. There is an English 1918 George V coin which has been drilled to form a fob. The chain and fob weigh 24g. The watch and chain come in...
