Description

A lovely early 20th Century oak framed terrarium with all its original glass panels. It is a good quality piece with a sturdy frame with curved corners, turned finials and 6 ball feet. The top edge has nicely shaped ebonised moulding. It is in good condition for its age and there are no damages to any of the glass panels. The interior is generally clean and tidy. The wood has a lovely aged patina and the whole piece is strong and sturdy. It has been cleaned and gently polished and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK Delivery £35
