Description

A large and very impressive antique Victorian leather Chesterfield armchair. This was made in England, we would date it to around the 1880's period. The quality is outstanding, this is extremely well made and comfortable. The deep buttoned leather has a gorgeous green colour tone and an absolutely beautiful patina. This is filled with horse hair and sits on mahogany bun feet with brass casters beneath. We have had this revived and enhanced by our leather restorer, there is one very small repair to the back edge, barely noticeable at all. Overall this is in superb condition for its age. Width - 45 inches , 114 cm Depth - 34 inches , 86 cm Height - 29 inches , 73 cm Seat height - 17 inches , 43 cm
