Description

Gents silver Vertex wrist watch, 1926. The watch has a 17 jewel hand-winding movement which is working nicely. A nice quality movement which screw-set jewels and Breguet hairspring. The watch measures 26.5mm wide excluding the winding crown and 26.5mm high excluding the lugs. The case is silver and there are hallmarks inside the case back for Glasgow (import mark), 1926. The case is in good condition with just light age related marking, nothing too serious at all. The concave lens is in good condition. The dial is in its original finish with original Breguet style hands. A new leather strap has been fitted. The watch comes in a new presentation box.
