Description

A stunning, fine and impressive antique 1.20 carat Basaltic sapphire and 1.28 carat diamond, platinum cluster ring; part of our diverse sapphire jewellery collection. This stunning, fine and impressive antique sapphire ring has been crafted in platinum. The cluster design is ornamented with a central feature claw set 1.20ct oval faceted cut Basaltic sapphire. The sapphire is encompassed with a halo of ten pavé set Old European cut diamonds, accented with a collet set baguette cut diamond to either side. The subtly elevated ring shoulders integrate with the main setting and blend seamlessly to a plain shank. This oval sapphire cluster ring with baguette side stones has been independently tested using state of the art technology (Niton XL2 Analyzer) and verified as platinum. This impressive ring is supplied with an IDGL diamond and gemstone grading report card. A cluster ring with an oval sapphire is an elegant gift for engagements, 45th anniversaries, and milestone birthdays. Its timeless design and vivid blue hue also make it a meaningful choice for graduations, Mother's Day, or as a 'something blue' for brides.
