Description

A beautiful rare Spanish solid silver holy water wall font. It is hallmarked with the Spanish 915 star standard mark and a makers mark. The star mark was used from 1934, I would date this piece to around that time. It has been beautifully made and has a gilded water holding section. It is in superb condition being free from dings splits holes and repairs. It measures approx. 5.5 inches (14.5cm) tall by 2 inches (5.2cm) across and weighs 54 grams. A very good quality interesting piece.
