Description

A good example of a small solid silver tray, most likely used for pins on a dressing table. It has an attractive raised wavy edge. It is stylish and good quality, weighing approximately 76g. It is clearly hallmarked for Birmingham, 1902 and the maker Deakin & Francis. It is in good condition for its age. There are some faint surface marks and light surface scratches and a small dink on the rim but no major damages and it displays well. It has been gently cleaned and polished and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK Delivery £6 Rest of the World £25
