Description

This church pew is in good condition. We have professionally stripped and restored it and then waxed it in a lovely antique brown bri wax giving it a stunning patina. The church pew would look well in any old or modern property but particularly well in any room for seating purposes and can comfortably seat 3 to 4 people. This would be ideal to the side of a kitchen table or in a hallway. The church pew stands on beautifully shaped arms supporting the main section where there is a large seat that has rounded corners and is in good condition. The back rest is also panelled which is a nice feature and it is a lovely yellow pine. The height is 82cm, the seat height is 46cm, the width is 215cm and the depth is 52cm.
