Description

A stunning, fine and impressive antique 1.49 carat three stone diamond, 18 carat white gold and platinum set pendant necklace; part of our diverse drop necklaces collection. This fine and impressive diamond necklace has been crafted in 18ct white gold with platinum settings. The pendant displays a feature 1.07ct Old European round cut diamond claw set to the lower border of the design. The feature diamond suspends via an 18ct white gold linear drop ornamented with an individually claw set Old European round cut diamond. The linear bar design articulates from a further claw set Old European round cut diamond to the apex, completing the design. This antique three diamond pendant necklace suspends via a platinum 15' chain via two integrated ring loops to the upper border of the pendant setting; the chain secures to the reverse with a conventional spring loaded bolt ring fastening. This antique pendant has been independently tested using state of the art technology (Niton XL2 Analyzer) and verified as 18 carat gold and platinum. This impressive antique 1930s necklace is supplied with an IDGL diamond grading report certificate for the feature diamond, in addition to an ...
