Description

A lovely antique silver scent bottle on a chain, most likely made to be attached to a lady's chatelaine. It is good quality with a screw threaded top and decorated with an ornate swirling repousse pattern. It is hallmarked for Birmingham, 1902, Saunders & Shepherd. It is in good condition for its age. There are some general signs of age and use and some light surface marks but nothing detrimental and no major damages. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK Delivery £6 Rest of the World £25
