Description

This is a fine pair of composition stone medieval style garden lions with a really imposing look. The lions are depicted pouncing forward with their prey, a captured ram, held beneath their paws. The pair date from the early 20th century and have aged nicely with a nice colour. These are in excellent condition and would add great interest to any garden setting. The lions measure 60 cms long 30 cms wide and 40 cms high. UK delivery can be arranged with our local courier and costs £65 plus vat to most areas.
