Description

A stunning pair of Islamic-style inlaid chairs in excellent antique condition. Crafted from dark wood, each chair is covered with intricate bone and delicate string inlay, showcasing remarkable craftsmanship. The chairs feature elegantly shaped backs with panels of inlay, scrolling arms with decorative scroll fronts, and side supports detailed with shaped inlaid panels. The seats have shaped edges, supported by deep inlaid structures with splayed, uniquely designed legs. The inlays beautifully combine floral and geometric patterns, embellishing the tall backrests, curved armrests, spacious seats, and distinctive legs. As with all antique pieces, these chairs bear some imperfections that only enhance their charm and character. This pair is both functional and highly decorative, making it an exceptional addition to any collection.
