Description

A stunning, fine and impressive antique Art Deco 0.70 carat emerald and 2.42 carat diamond, platinum navette shaped cluster dress ring; part of our diverse antique jewellery and estate jewelry collections. This stunning, fine and impressive antique emerald and diamond ring has been crafted in platinum. The pierced decorated, Art Deco navette-shaped cluster design is ornamented with a feature collet set 0.70ct octagonal cut Colombian emerald. The feature emerald is flanked to the upper and lower portions with four channel set baguette cut diamonds, in a vertical linear formation. The central arrangement is surrounded by a scalloped cluster design embellished with eighteen Old European cut diamonds. The elevated, pierced decorated ring shoulders blend seamlessly with the plain ring shank. This impressive emerald and diamond dress ring is hallmarked to the interior of the shank with the platinum mark (PLATINUM). This navette emerald and diamond ring is supplied with an IDGL diamond grading report card and is supplied with an emerald report card and certificate supplied by the Gemmological Certification Services, London*. This Art Deco emerald and diamond ring is an e...
