Description

A stunning, fine and impressive antique 4.51 carat diamond, 18 carat white gold and platinum bracelet; part of our diverse diamond jewellery collection. This stunning, fine and impressive antique diamond bracelet has been crafted in 18ct white gold and platinum. The anterior setting of the bracelet is embellished with nine articulating links, with the central seven each bearing an impressive feature collet set Old European round cut diamond to the centre. The tapering links are each embellished with four pavé set eight cut diamonds to the corresponding corners and the terminating links each bear five further pavé set diamonds, completing the design. The sides of each link are ornamented with impressive engraved decoration; this is a fine feature and indicates the high quality of the piece. The bracelet secures with a push fit clasp to the reverse via a fully articulated, expandable spring-loaded strap composed of platinum elongated links, benefitting from the additional security of two safety catches. The side of the bracelet strap is hallmarked with the platinum mark (PLATINUM) and the anterior setting has been independently tested using state of the art technology...
