Description

A Georgian Miniature Foxed Mercury Easel Mirror, Hand Cut 18thC 13cm. An enchanting table top, miniature Georgian easel mirror, circa 1750-1800, hand cut bevelled mercury glass showing an elegant timeworn foxing, held in place with hand forged clips and original oak back, a rare and delightful thing. The 13cm tall table or dressing table mirror has an exquisite appeal with both practical use and considerably decorative, an antique interior design piece. A charming characteristic of the hand cut glass is the asymmetric shoulders either side of the central raised pediment, a fine surviving example. Dimensions Height 13cm Width 9cm Please request more photos and any questions invited. Dispatched U.K. and worldwide within 2-3 working days with tracking.
