Description

A pair of antique elm chairs with decorative back rails. The top rail features carved detailing, while the lower rail is finished with neat turned work. Each chair has a solid elm seat and stands on square tapering legs, united by stretcher supports. A well-balanced and characterful pair. Item Ref; M-6016 . DIMENSIONS: Height – 83cm / Width - 43cm / Depth - 40.5cm / Seat Height - 44cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places, including age-related marks and scratches. Some loss to parts of the legs and top, as well as splitting to the seat, though this does not affect the integrity of the chairs. Our experienced carpenter meticulously inspects, repairs, and restores each item in our collection. This ensures that every piece you purchase from us is ready to be seamlessly incorporated into your home. To provide you with a comprehensive understanding of the item's condition, we kindly request that you take a moment to thoroughly review all the accompanying photos. These images form an essential part of the item's description and condition report, offering an important visual insight into its appearance ...
