Description

This Walnut Bedside Cupboard could be used in so many areas of the home and would make a perfect place to hide your shoes away in the hall! Made from solid walnut, which is a delightful warm hue. With the simple design allowing it to be used in both a traditional or indeed contemporary décor. The door frame has the subtle addition of stopped chamfer decoration, which lifts the piece. The polished brass pedestal turn handle also adds interest. Circa Edwardian Dimensions Width 15½in/39cm Depth 14in/36cm Height 30in/76cm
